## 3283 CALLS FOR HELP

We cannot accept everyone who contacts us, but all are given information about other possible sources of help. We also track the needs of those who contact us and their access to alternate resources.

## RESIDENT EARNINGS

Our residents increased their income by 25.6% while here + 83% were employed full time indicating progress for our families toward greater financial stability.

## RESIDENT SUCCESS

12 families graduated from the residential program in 2016 + one resident received her Master's Degree in Public Health + one reinstated her real estate broker license.

## FINANCES

We invite you to review our detailed financial information at

[www.rainbowvillage.org/about-us/financials/](http://www.rainbowvillage.org/about-us/financials/)

## LOOKING AHEAD

Rainbow Village is a national model for permanently breaking the cycles of family homelessness + poverty + domestic violence.

We believe the way to bless the most homeless families is to become an educational center teaching others lessons learned over 25+ years so they may create similar programs in other communities.

We invite you to visit Rainbow Village and become part of our mission.
